COVER LETTER

Dear Examiner Nguyen:

Further to my correspondence earlier today, August 15, 2007, after electronically submitting a Request for Continued Examination (RCE) Transmittal "form-fillable" PDF (SB30) and cover letter, I checked Private PAIR and found that, once again, Private PAIR showed the uploaded form to be empty. Thinking that this was an error in the electronic filing system, I called the Electronic Business Center and spoke with Chris (no last name given, Service Request Number 1-93487517).

Chris explained that I had "mis-indexed" the form: I indexed it as "Amendment Submitted/Entered with Filing of CPA/RCE" while it should have properly been indexed as a "Request for Continued Examination," and this caused Private PAIR to display the form as being empty. Nonetheless, Chris said that the completed form was indeed received by USPTO, and it will be manually re-indexed within 1-5 business days to display properly on Private PAIR. However, Chris explained that since I have now unintentionally submitted two RCE Transmittal forms, I should send a letter to you requesting that one of the two forms be disregarded.

Accordingly, please disregard the duplicate RCE Transmittal form for the above referenced case file.

Respectfully submitted,

By: /Michael A. Nelson/
